13. Please describe this person's greatest strengths as a Instructional Assistant.  
*Please keep your comments constructive and professional, abiding by the Principles of Community*

- Alex really goes over the topics and starts from the very beginning to make sure that we fully understand what we were confused about.
- Alex, was always available during office hours and would be able to answer all of my questions properly. She did an amazing job at connecting ideas between PSAs and lecture. She would make sure we were all comfortable with the subject before moving on. She also spent as much time as we needed with us and never made me feel rushed.
- Excellent job of not only teaching the basics of what we learned, but also in helping students think and go about problem solving.
- Her responses on Piazza were extremely clear and went above and beyond what I would expect for an answer. She continually made sure any student who was still unclear on the subject understood the topic by answering any follow up questions.

14. Please describe this person's greatest weaknesses as a Instructional Assistant.
