

**Instructor IA Evaluation for Alexandra MacEdo  
Department of Computer Science and Engineering**

CSE 8A - Intro/Computer Sci: Java (I) (Minnes Kemp, Mor Mia)  
Fall 2018

**Evaluation Responses**

1. The Teaching Assistant/Tutor/Undergraduate Instructional Apprentice/Graduate Instructional Apprentice consistently produced high-quality polished work, took initiative, and met deadlines.

Strongly Agree

2. Optionally add comments elaborating on your answer above. For example, address the following: did the TA anticipate course, instructor, and student needs? Was the TA attentive to course-related communication? Did the TA effectively manage the responsibilities assigned with consistent attention to detail and correctness?

[No Responses]

3. The Teaching Assistant/Tutor/Undergraduate Instructional Apprentice/Graduate Instructional Apprentice was an effective teacher and clearly explained course concepts to students (in writing and/or verbally).

Strongly Agree

4. Optionally add comments elaborating on your answer above. For example, comment on course material developed by the TA (e.g. assignments, solutions, rubrics, discussion slides, exam problems) or the quality of discussion sections delivered by the TA.

- Your work on discussion slides and Piazza responses was incredibly detailed and demonstrated a lot of thought. For future discussion sections, you might want to try a "less is more" approach. Exploring one or two questions in great depth can be useful for discovering student misconceptions and reinforcing key topics.

5. The Teaching Assistant/Tutor/Undergraduate Instructional Apprentice/Graduate Instructional Apprentice knew the course material and effectively applied this knowledge in preparing course materials and working with students.

Strongly Agree

6. Optionally add comments elaborating on your answer above. For example, point out particular content areas in which the TA was weak or strong.

[No Responses]

7. The Teaching Assistant/Tutor/Undergraduate Instructional Apprentice/Graduate Instructional Apprentice interacted professionally and appropriately with others on the instructional team (instructors, tutors, and TAs), and students.

Strongly Agree

8. Optionally add comments elaborating on your answer above and addressing the TA's interactions with students, the tutor team (if any), and the instructor.

[No Responses]

9. What is your overall rating of the Teaching Assistant/Tutor/Undergraduate Instructional Apprentice/Graduate Instructional Apprentice?

Excellent

10. Do you have any other comments to add to your evaluation?

*Please keep your comments constructive and professional, abiding by the Principles of Community*

- Thank you for your dedication and commitment to the students and the course. You have gone above and beyond, and both the students and the rest of the team appreciate it greatly.
